Synopsis

With over 6 years and 9 months of professional experience, I have developed expertise in web design and development, starting my career at Xplora Design Skool. My objective is to continuously enhance my skills as a web designer and advance my career in the field. I am result-oriented, with a positive attitude toward team development and contributing to project success.

Skilled in HTML, HTML5, responsive design, jQuery, JavaScript, CSS, CSS3, SCSS, and Bootstrap, I have extensive experience designing websites and web applications with a focus on user experience across devices. My excellent communication skills allow me to effectively interact with developers, QA teams, and business stakeholders. I am known for my precision and attention to detail, ensuring timely and accurate project delivery. I excel in coordinating and clarifying requirements, aligning designs with project goals for successful outcomes.
